⁴ If using the Satellite or Mars alcohol screening device, the QAPs require the use of a wet bath simulator for monthly accuracy checks (simulator package approx. \$725.00). Federal alcohol testing regulations require that you follow the manufacturer’s QAP for your device if engaging in DOT or Federal testing. SCREENING DEVICES MAY BE UTILIZED FOR SCREENING TESTS ONLY; NOT FOR CONFIRMATION TESTING.

⁵ Please refer to the Alcovisor Flyer for details on supply items that are included in each Mercury kit.

All Alcovisor devices include a manufacturer’s one-year warranty on parts & labor for factory defects. Service and warranty provided by the manufacturer (not Certified Training Solutions). Ask for info sheets on Extended Warranty and Factory Device Re-certification.
